

The Worcester Greenstar FS 30CDi and 42CDi regular

Our Greenstar FS CDi Regular is a perfect replacement for an older floor standing boiler in a larger property. This boiler can be used with our range of high efficiency Greenstore cylinders allowing stored hot water to be rapidly replenished.

Why install a Greenstar FS CDi regular?

- Fits underneath a standard kitchen worktop
- Stored hot water can be rapidly replenished with high output options
- Simple boiler temperature control with digital display
- Can be used with Greenskies solar panels for energy and cost savings

Which? Best Buy

Our Greenstar gas boilers have received Which? Best Buy Awards for 7 years running

7 Year Guarantee

Up to 7 years guarantee on all Worcester gas boilers when fitted with a Greenstar System Filter

Royal Warrant

We are honoured to have received a Royal Warrant in recognition of supplying goods to Her Majesty The Queen

BOSCH

Invented for life

Boiler dimensions

The Greenstar FS CDi range will fit underneath a standard kitchen worktop.

Know your system

Regular boilers (sometimes known as traditional, conventional or heat only boilers) are ideally suited to homes that already have a traditional heating and hot water system which is linked to a separate hot water cylinder.
