What you need to know:

This guarantee covers your Worcester Bosch appliance against faults or defects in materials or manufacture for the period stated on this document, subject to our full Guarantee Terms & Conditions.

In order for your Guarantee to be valid, the appliance must have been correctly installed and commissioned by a competent and officially certified installer (e.g. Gas Safe, OFTEC, MCS, FGAS) in accordance with the manufacturer's instructions, applicable legal requirements and industry standards. The appliance must also be serviced annually. This certificate (and the requirements summarised on this document) reflects certain key elements of our full Guarantee Terms & Conditions, which contain additional conditions and exclusions. Your guarantee is strictly subject to our full written Guarantee Terms & Conditions and we recommend that you read them in full. We may update our Guarantee Terms & Conditions from time to time.

The issuance of this Certificate by us does not indicate or confirm acceptance by us that your appliance has been installed in accordance the manufacturer's instructions, applicable legal requirements and/or industry standards, or that the conditions and requirements of our Guarantee Terms & Conditions have been satisfied. We reserve our rights at all times to strictly enforce our Guarantee Terms & Conditions.
