All compatible controls must be used with the optional diverter valve.

## Accessories

### Greenstar System Filter

Install a Greenstar System Filter to protect your heating system from contamination and extend your guarantee up to 7 years\*.

**7 YEAR Guarantee**

## Boiler dimensions

The Greenstar i system range will fit inside your wall-mounted kitchen cupboards.

## Know your system

System boilers require a cylinder for storing hot water, however the major heating and hot water system components are built into the boiler itself, making it quicker and neater to install.
