

Thank you for using the Worcester ErP Generator

The image shows a standard European Energy Label for a Worcester Bosch boiler. It features a blue header with the UK flag and the word 'ENERGY'. Below this, the Worcester and Bosch logos are displayed alongside the product name 'Greenstar Danesmoor' and model 'DANESMOOR SYSTEM EXT 18/25 2022+' with the serial number '7731600258'. A barcode is present on the left. The energy efficiency scale is shown as a series of horizontal bars from A+++ (green) to D (red), with a black arrow pointing to the 'A' rating. At the bottom left, a sound power level icon shows a house with a speaker and the text '0 dB'. To the right, a large box contains the power output '25 kW'. The year '2019' is printed at the bottom left and the standard '811/2013' at the bottom right.
