

AZB 814

Ø 80/125 mm

7 719 001 899

Important Notes

The appliance and its accessories may only be fitted by an approved installer.

Please also observe the following:

- ▶ This accessory kit should only be used in conjunction with the matching basic accessory kit AZB ...
- ▶ When replacing, check compatibility of accessory kit.
- ▶ Follow the installation instructions for the appliance and the accessories used.
- ▶ Make sure air/flue duct lengths are within the permissible limits.

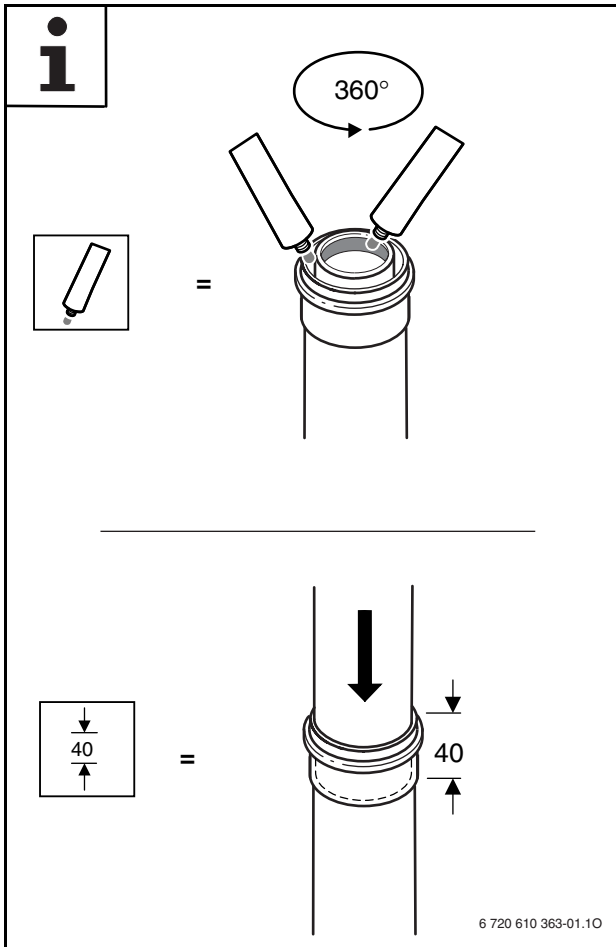

Symbols

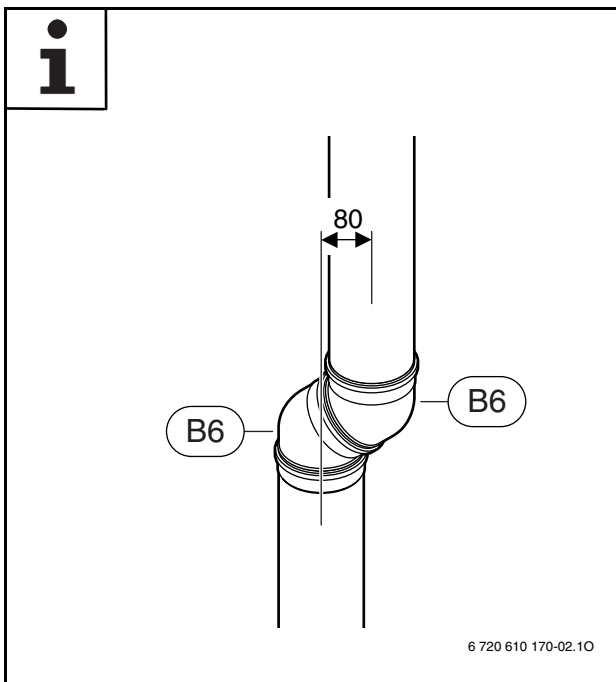

- ▶ Lightly grease the seals on the sleeves with a solvent-free grease (e. g. Vaseline) (Fig. 1.1).

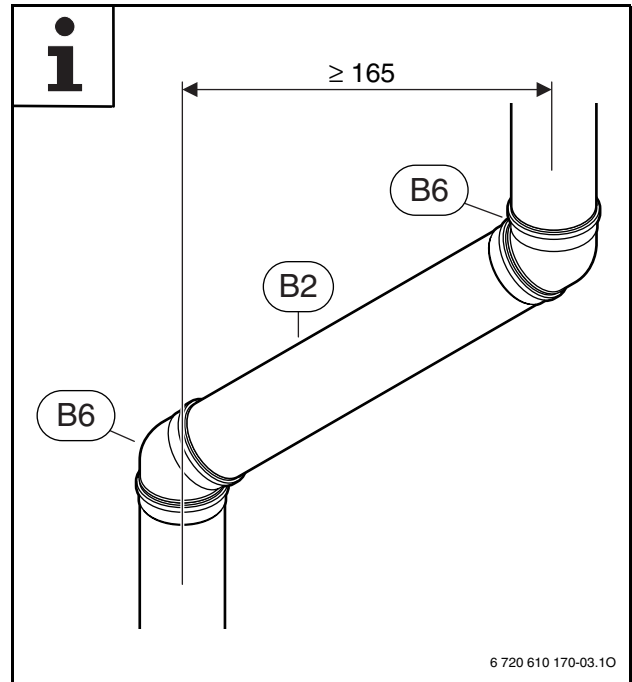

- ▶ Slide the flue gas accessories, lightly twisting, into each other to the stop in the sleeve (40 mm, Fig. 1.1).
